Reference - MB Docket No. 04-233

Dear Sir:

I am writing this letter to let you know that the station, K-LOVE, has had a positive impact on me and my family. Its values and encouragement enable us to have a positive influence on those around us by helping us to become more dedicated to God and to our community - thus making us better Citizens. ~~4~~

Replacing K-LOVE by a LPFM broadcaster could have very derasting effects on this community.

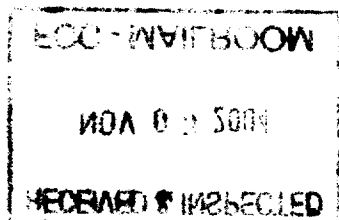

K-LOVE is definately in the ~~best~~ public's best interest because its positive message and encouraging music help us as a family and others like us a get through hectic ~~ives~~ with a better outlook life. I implore whoever has the power to keep K-LOVE

BCDE

Office 100.9

Very sincerely,
Hon. Douglas Flaming

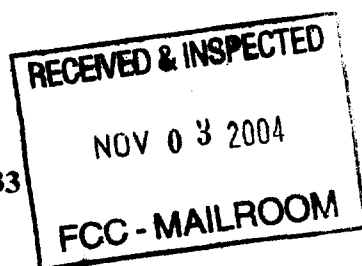

on our 89.5 fm station to
please do so.
Thank you so much for your
consideration on this matter

October 27, 2004

MB Docket No. 04-233

To FCC:

I am writing in regard to the possibility of an LPFM broadcaster displacing K-Love. This would have a very negative impact on the community, and is not in the public interest. We have plenty of crass, superfluous stations which bring nothing new to the community except promotion of destructive behavior. The goal of many stations seems to be to make fun, to exploit and to have fun, while these are arguably wrong or right, they do little to promote finding purpose, hope and joy. Few would argue that many people are searching for truth, for answers, for hope and for meaning. Few stations have a mission of providing that to individuals. Full time staff hurting people can call. How many stations offer that? K-Love has served people of all different backgrounds, wanting answers to questions, wanting a kind voice to encourage them. Plus, they are completely listener supported! If it were gone, the many people who have called in needing help would not be able to call in at any time and speak with a pastor.

I am daily encouraged by the station, and my day would be very different without the constant positive message. K-Love encourages me to get involved in my community, with 'get out the vote' messages, and also encouraging me to donate my resources of time and money to various organizations. This indisputably helps the community in a great way. I get much of my news from this station; therefore K-Love helps me stay informed, which makes me a more valuable member of society.

The positive messages they provide are thought-provoking and speak to parents, children, singles, husbands and wives, and have given me much food for thought. My co-worker also listens to it and we both believe strongly that, were our station taken away, it would be harder for us to stay positive. K-Love is in the public interest because how many programs do we have to try and help people – government programs, etc. and this station, as part of the army of God, is helping to reach a hurting world with God's love. Programs that are Christ-centered are proven to be much more effective than rehabilitation programs without Christ as the foundation. We can have both, but the facts speak for themselves.

Music is therapeutic – if you listen to harsh, violent lyrics and music, it affects people and if you listen to positive music it affects you. It promotes programs which benefit individuals and the greater community such as adoption, marriage and family advice, child-rearing advice, and much more. These are things greatly beneficial to our society, which are not promoted or provided by many other stations. It would be a GREAT disservice to the community to lose K Love.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Melanie Steffen".

To Whom it may concern,

I have been listening to K-LOVE Radio @ 88.5 ever since it came to our Area. I listen at home, in the car, at my businesses, and on the computer. I cannot imagine not having K-LOVE to listen to. Especially in my business. I'm open 10-12 hours a day, 7 days a week. So many of my customers love to come & shop their lunch hour because of the atmosphere & the music playing in my store. It witnesses to people & genuinely makes people happier! I have a woman that I've become friends w/ though my business that had not been in Church (except weddings & funerals) in 40 years, and has shared w/ me that she is back in Church. Another woman told me she had never listened to Christian music, and now that is all she listens to. She then thanked me. It's not about me or you - it's about God working in people's lives through Christian music! Please don't take K-LOVE away!!! It's a huge blessing and witness to others.

In Christ, Kim Franklin

I support K-LOVE in the wonderful christian work they do by reaching people ALL over the world.

My local community would suffer greatly if K-LOVE were displaced by an LPFM broadcaster, there are SO MANY people in my area who would be LOST without K-LOVE.

K-LOVE provides a christian radio station which not only provides christian music, but also encouragement and support to ALL people. K-LOVE has a 24hr prayer line with people who care and want to help with life's crisis or just our everyday ups and downs.

PLEASE DO NOT displace K-LOVE by an LPFM broadcaster providing other programming in MY area or ANY WHERE ELSE. There is SO LITTLE christian influence in our world today. PLEASE let us KEEP our radio station UNCHANGED. I am praying that you will make the RIGHT decision.

In Reply to: MB Request
No. 04-233

Federal Communications Commission,

I hope you will take into consideration the need for K-Love radio to stay as is. This radio station is the only radio station that I listen to along with many other people I know. There is a lot of snout on regular channels. This channel offers hope & encouragement for christian people. It also offers nonchristian a chance to hear the message of gods love & forgiveness. I (we) will pray you'll not allow ~~the~~ LPFM stations to take priority over current FM translator service.

I hear K-Love on 91.5
others are 90.5 - 104.3

Sincerely
Sandra & Penny

To those deciding the Low Power FM issues,

I have recently been made aware of changes that you are planning for Low Power FM (LPFM) stations. I have a concern that you may allow them to displace our current FM radio stations. Such an event would have disturbing results in our communities and I would like to discourage such changes. Specifically, we would not like to lose the ability for K-LOVE (88.7, 93.3), The Calvary Satellite Network (89.3), or KPLW, Positive Life Radio (89.9) to broadcast on our local or national airwaves. The stations listed above provide very important services for our community, support the churches of our areas, and serve in a nation-wide missionary capacity.

The services that the mentioned radio stations provide are comfort for the lonely, comfort for the hurting, instruction for the homebound, prayer for healing, joy for the downcast, and life saving service for the potentially suicidal. Those of us in the working world often forget about those who are homebound by illness or old age that daily depend upon Christian radio stations for comfort and to dispel loneliness. Without these stations, there would be no way for many to hear a church service or sing much loved spiritual songs. Many, even those in the working world, depend upon the stations listed for a way to lift them above the dull day-to-day grind. The music and teaching provided literally change lives and show listeners that there is hope beyond their seemingly depressing and small worlds. Every year hundreds of people call in to Christian radio stations as a last ditch effort to call out for help before they end their lives. We cannot allow such life giving services to end.

In addition to personal comfort, the stations listed above support our churches through teaching, free advertising, and outreach. On an hourly basis listeners can find bible studies to enrich their lives and promote their spiritual wellbeing. They can tune in to a pastor who is teaching on the opposite coast and gain a service that may not even be provided in their area. Local churches can often advertise a social, musical, or missionary event free of charge. Events of service, such as our local

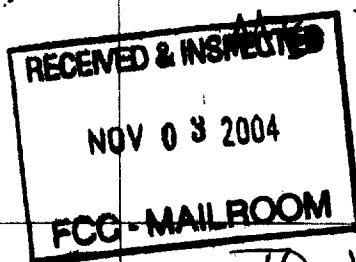

No. of Copies rec'd 0
List ABCDE

"Make a Difference Day" or "Holiday Food Drive", can be promoted and organized by volunteers who are allowed to come in to the stations to man the phone lines.

On a national level, the Christian stations listed above help promote missionary services. Perhaps you are not aware of our "Truckers' Network" that is constantly on the road and is rarely at home to schedule things we take for granted. They would be unable to sign up for a weekly bible study or attend a Sunday worship service. Because of K-LOVE and the Calvary Satellite Network a trucker can access a bible study on a daily basis, attend a number of worship services, and sing their favorite Christian tunes. They can even find the location of the "Church on Wheels" missionary service that travels the country and stop at a truck stop for a service. Prisoners can listen to a bible study or songs that might change an otherwise depressing day-to-day existence. People who live in remote areas without access to a transmitter can log on to K-LOVE or the Calvary Satellite Network on-line to hear a radio broadcast coming from an area with a transmitter. Also, missionary outreach is organized on the listed stations to give much needed and timely financial help to national and international charitable organizations.

As you can see, we must allow such life changing, life giving radio to continue to operate unhampered. If you desire to make room for more LPFM stations, please do so in such a way as to not disrupt our current radio stations. We love and need them in our lives. Thank you!

Sincerely,

Claudia Olson

Docket No. 04-233

TO Whom It May Concern:

KLOVE 91.1 is the only radio station I listen to, other than 94.7 KRKS for news, music, inspiration, and information. Many people in our community of Windsor, Co all the way to Wyoming choose KLOVE as our #1 Radio Station for FM. It is great to have KLOVE's support toward their audience and we, their audience, are here to support them financially as well as with this letter.

We request that K-LOVE not be displaced by an LPFM broadcaster providing other programming. K-LOVE provides a service to the Christian population ~~that~~ and any others who tune in, that is not provided by other stations, nor will it be provided by an LPFM broadcaster.

Mead

Although some people would think Christianity is not a choice, it is, as well as other religions, and that right to choose listening preferences should not be taken away.

Choices are the American way. It is in the best interest of all the public to have a choice - country, rock, pop, Christian, etc. Don't replace our only choice for Christian stations with an L PFM broadcaster.

Mesa, Az 85202

Gentle People,

I am writing regarding the impact of the proposed Low Power FM rules on existing national and regional FM stations, specifically KLOVE.

I have been a KLOVE listener and supporter for years. It is my primary radio station for music and information. It is one of the few radio stations in my area that provides uplifting, positive and inspirational music compared to the many other stations which often play sexually suggestive, negative and morally objectionable music or "shock jock" style programming.

KLOVE is a vital radio station in the Phoenix area and should be allowed to continue to provide the programming on which I have come to rely.

Please do not allow the expansion of Low Power FM stations to threaten the existence and continued availability of national and regional stations like KLOVE.

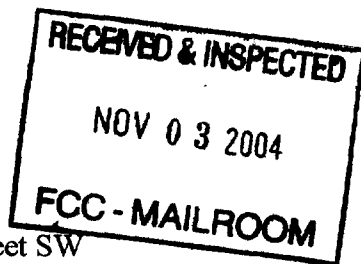

Thank you for your fair review of this matter.

God Bless You Always,
Dennis Mihocko

Re: MB Docket No. 04-233

Dear Sirs;

It has come to my attention that you may expand a new service known as LPFM. I understand these stations could force off the air my radio station that I love to listen to. I listen to only one radio station and that is K-love. As a K-love financial supporter I can't imagine having my station replaced. What would my family, friends, co-workers, and I do if we didn't have a Christian radio station to call upon for our needs or to have a Christian view on everyday living issues. My concern is this: if we take out a fine Christian radio station such as K-love who makes an impact of the lives of those listening, I wouldn't hesitate to guess there would be more suicides, divorces, and more illnesses in our world then we would care to admit. I deserve a K-love radio station in my corner of the world just as everyone else does and I would like to impress upon you the tremendous value I place on my K-love radio station, how my life has changed since I have been financially supporting them, and how better my relationships are with my family, friends, and co-workers. I travel 45 minutes each way back and forth to work and I have to have my K-love to listen to help me deal with traffic and crazy drivers. What a stress releaser!!!

Please, please, please take my comments as serious as they are because we need all the family-friendly, wholesome valued, and positive encouraging radio stations like K-love in our lives. Thank you for your time.

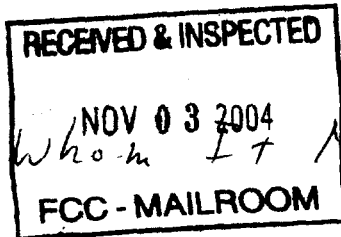

Sincerely,

A handwritten signature in cursive script that reads "Judy Crosby".

To Whom It May Concern:

In reference to "MB Docket No. 04-233"

K-LOVE, which is heard in my community on 94.3 FM is an enormous blessing & encouragement to me every time I turn it on. Every radio I have is tuned to 94.3 FM. It is uplifting & should be allowed to continue broadcasting just as it is now, on this date & in the future. I know others in my region & immediate community who listen & appreciate the format of the family-friendly programming it offers.

The impact that would take place in my community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming would be devastating to say the least. K-LOVE offers a real uplifting programming format that is appreciated by all walks of life. It's a light in the overburdened world we live in.

I think K-LOVE should stay on the translators it is on now because the public in general needs to have an alternative to all the shock jocks & news stations ~~on~~ on the airwaves.

I feel very strongly about this matter & would appreciate your consideration to this letter,

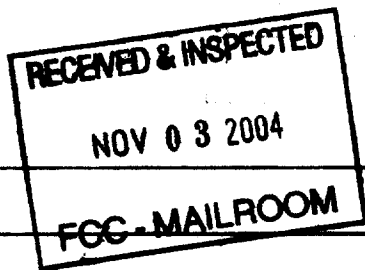

Many thanks,

Gentlemen:

Regarding MB Docket No. 04-233, I
wish to comment:

My Regional FM station WKVU 100.7,
Utica, New York, is something I listen
to often. It provides information on
public events such as coffee houses and
concerts. Many of my friends listen
to this station, and I know it provides
information to various church people in
the area.

I feel that access to Christian music
radio would be ~~very~~ limited if this
station was replaced by an LPFM
broadcaster with other programming.

To: The FCC

I have been raised as a catholic
for over 40 something years and gone thru
alot as has my family. the catholic church
is very ritualistic stand, up sit, down,
kneel pray certain prayers and most of
all focused on the tragedy of the death of
Christ, many years I felt that there was
~~something in believing in almighty God and~~
~~in me~~
rock and roll lover. A few years ago my
daughter left the catholic church and be-
came a christian, she started listening to
AIR 1 90.1 at first I laughed at her and
called her a holy roller but once in a
while I would change my station just
to see what was on AIR 1. I started listening
more + more and if I had my dial on
rock + roll or alternative Rock I would keep
it. If we were all a little more like angels
the world would be a better place.

2

going back only to realize every song brings
me closer & closer to a new joyful
ship w/ my God. He was not unattainable
and I was so consoled and blessed just
by knowing that he loved me and died
for me because he cared and he and all
land community and church and love
and life are all a beautiful thing and
there is ultimate strength and relief
by the A/R I ~~stop~~ ^{is} ~~music words in~~ ^{is} ~~every~~
songs, the testimony given by musicians
whos lives have been altered forever
for the best. Even the Christian Church I
attend because they have a band that plays
a lot of songs that are on A/R I come
out w/ positivity and ultimate joy every
person I make aware of A/R I seems
to be drawn more every day to return to
it, and they do. ☺ It looks like you in a
(A/R) time when the world is so material
If we were all a little more like angels
the world would be a better place.

 just greedy, dark, and dismal w/ no
 hope and its growing more and more
 popular I think its a move thats a
 long time coming. air 1 prayers for
 people, touches and changes lives, makes
 a difference and gets the word out re-
 garding god and his love for us. I know
 many people that ask me how influenced
~~whether to change their lives whether they~~
 or lost someone or someones life I drugo, say
 special to them it gave them hope to go on
 and while UFM may be a nice thought I
 know it could never impact anyone in a way
 that AIR 1 does. My daughter moved to Florida
 a yr. ago + was heart broken because she couldn't
 get AIR 1 in Panama City. I do believe that
 AIR 1 is in the public interest and an
 absolute necessity, its a small miracle.

If we were all a little more like angels
 the world would be a better place.

4

Every time I have air 1 on I thank
God for a station like that and how
it makes one feel and I thank my
daughter because she instigated to all
by the touch of a dial my life was + is
changed. I don't have alot of money but
I support air 1 w/ 16\$ a month pledge
I'd give more if I had it to give but I
think the station is a blessing, those
who listen to it get blessed and those
who live their lives w/ God in their
centers + open up to let him take charge
will be and are blessed. As are those
who support air 1. Please don't
take air 1 off, I know many people
that would be extremely saddened
and it would be a sad day for all
mankind to lose the services missions
and people whos lives are affected
God Bless ...
If we were all a little more like angels
the world would be a better place
Ramona Kohler

To Whom It May Concern:

We are writing in reference to MB Docket No. 04-233. We have recently been made aware of the chance that K-LOVE may be replaced by a LPFM, so we felt we must let our voices be heard.

K-LOVE is the only station of its kind in my community. K-LOVE not only plays uplifting Christian music, but it serves our community through all of its programming. Their programming is always encouraging and safe for the entire family to listen to. When a person tunes into K-LOVE, they instantly know they have found a station that will fill them with hope and strength.

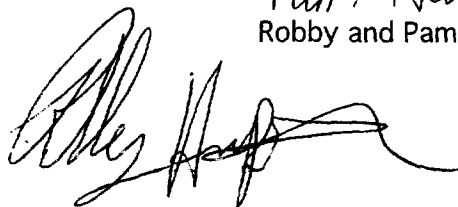

I shudder to imagine what would happen to our neighborhood if K-LOVE was taken off the air. Without K-LOVE, many people each week would go without the prayer and support they need and now receive from K-LOVE. K-LOVE always has a pastor on staff to pray with or to ask questions of. Without these pastors, many more people would follow through with suicide, drinking, drugs, abusive relationships, abortion, or divorce. The pastors at K-LOVE talk with these people who call-in with serious problems. Through the pastors' love, prayer, and encouragement many of these horrible situations are turned around.

K-LOVE is a unique station that is in the best interests of the public because is is serving Christ with all of its daily programming. K-LOVE spreads God's love in the music, news, and interviews it airs, and it is always commercial-free. The public loves K-LOVE's positive and family-friendly programming. If K-LOVE is replaced by an LPFM in our community, there will be no place for these K-LOVE listeners to receive encouraging, Godly music.

Thank you for allowing us to express our concerns and support for K-LOVE, a radio station that has changed many lives through its ministry.

Devoted Listeners,

Robby and Pam Hampton

Dear Sirs:

I am writing on behalf of my family concerning the possible change in FM broadcast service. We are concerned that K-LOVE radio would be removed from our area of service were this change be implemented. It is the only station of its kind in our community; serves a broad range of people from many churches as well as the public in general. K-Love provides positive music, positive thoughts and promotes good things via the airwaves. In this, it is unique, even in the way it brings the news. Thank you for your consideration.

Sincerely, Delores Shelton and 4 family members

Dear Sirs:

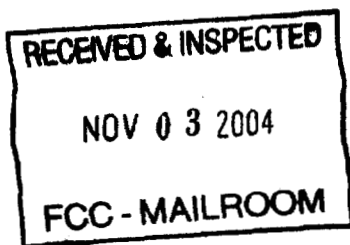

I am writing in reference to MB Docket No. 04-233. I have listened to K-Love Radio locally on 88.3 FM for several years and across the country as I travel for my employment. Locally, K-Love provides me with the type of music that inspires and motivates me and they are usually on top of any severe weather that would affect me. Also, quite a number of my friends and family would suffer if an LPFM broadcaster were to replace K-Love! I think K-Love's programming is in the public interest because as a "national" radio station, people from all across the country can provide input and have a common thread spiritually through K-Love. Please, please reconsider these LPFM's and allow K-Love to continue providing the same radio we've come to love.

Please let us continue receiving
the same stations we now have.

Sincerely

Daryl D. Lutes

To Whom It May Concern:

This letter is in regards to protecting K-LOVE and FM translators. My wife and I were shocked to learn that there could be a possibility of losing our K-LOVE station due to a decision the FCC has control over.

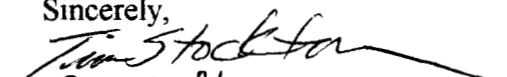

Out of all of the local stations that we could listen to my wife and I choose to listen to 88.1 K-LOVE. It is our favorite station that we enjoy to listen to and tell others about. Many friends have told us that they too listen to K-LOVE simply because we told them about it and they saw our K-LOVE bumper sticker. We feel so strongly about the mission of K-LOVE that uses a FM translator that we send in a monthly pledge to help keep it on the air because it is a listener supported station.

Therefore, in essence all those who financially support this station and others like it are the "owners" of the stations and we don't want the FCC to decided to close us down. As long as we financially support this station we believe the FCC has no right to decide to make choices that could effect what we choose to pay for.

No other station or program that an LPFM broadcaster provides locally is not what we want to hear if it's not K-LOVE. It is to my family, friends, and communities best interest that nothing be done that would ever hinder the service that K-LOVE stations provide.

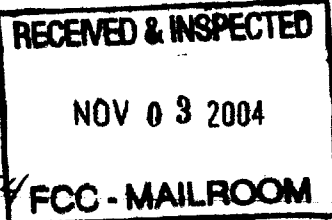

Thank you for your consideration in this matter. "MB DOCKET NO. 04-233"

Sincerely,

Tim and Julie Stockton

RE : MB Docket NO 04-233

Being able to hear positive music on our K-LOVE station at 88.9 in Oklahoma City and the surrounding areas is extremely important. There's been days when I was so depressed with things in my life that suicide was considered then ~~but~~ turn on the radio and there they were with the message of love and encouragement.

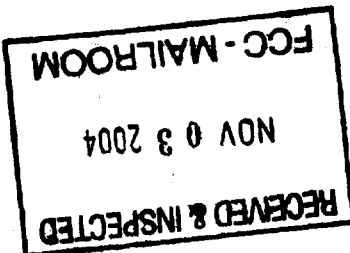

My grandchildren loves the music and songs and I don't have to worry about the content of the message between songs or in the songs.

Several of my friends & coworkers feel the same.

There are times now where reception is bad so if you change to the LPFM I might not be able to hear it at all. Please reconsider some lives depend on K-Love.

Dear Mr. Rung,

I understand that you have introduced a new broadcast service known as Low Power FM (LPFM). I know that they have been in existence for several years and that you are proposing to expand this service in a way that would allow those near LPFM stations to take priority over current FM broadcast service. Thousands of thousands of people listen to K-LOVE on their FM transmitters - myself and my family included. If K-LOVE could be forced off the air if the proposed rule changes are enacted and LPFM is given a priority over FM broadcast service it

In these days of rising crime, gang violence, lack of respect for authority and life in general, K-LOVE offers positive and inspiring music, news, and anecdotes, which are a beacon of light in contrast to the darkness of these times. Not only do we enjoy - we need the positive influence that K-LOVE offers our community.

There is no other station like K-LOVE that offers positive, contemporary music, news, and anecdotes. If K-LOVE is displaced by a LPFM broadcaster providing other programming, the beacon of light in our community will go out!!!

Our forefathers sacrificed their lives, families, and fortunes for the freedoms we have today. One of those freedoms is "freedom of speech." There is no other country in ^{the} world like the United States of America!!! That is why people from all over the world still immigrate to America. It is the best place to live!

pg. 3

Please, reconsider and do not expand the LPFM service in a way that will allow these LPFM stations to take priority over current FM translator service!!!

I believe that K-LOVE reaches all ages of people in a positive way that no other station has! It makes no difference what your age is, race, income, faith.

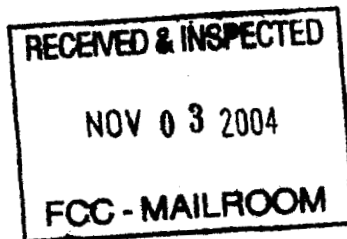

Everyone is affected by K-LOVE in a positive uplifting way.

Thank you for your time and help!

Sincerely,
Mrs. Melanie Rairigh

P.S. In my area, K-LOVE is heard on 91.1, 88.3 and 88.5.

TO WHOM IT MAY CONCERN:

REFERENCE: "MB DOCKET NO. 04-233"

REGARDING LOW POWER FM

MY UNDERSTANDING IS THAT LP FM WILL TAKE PRIORITY OVER
TRANSLATOR SERVICE AND TRANSLATOR SERVICE COULD BE FORCED
OFF THE AIR. THE LOSS OF K-LOVE TO OUR COMMUNITY WOULD BE
DETRIMENTAL TO THE COMMUNITY AND TO ME PERSONALLY. K-LOVE IS
ALWAYS POSITIVE AND ENCOURAGING. K-LOVE IS WELCOME RELIEF
FROM THE NEGATIVES THAT WE HEAR DAILY. IT IS A LIGHT IN THE
DARKNESS. WE NEED MORE STATIONS LIKE K-LOVE, NOT FEWER. K-LOVE
LINKS THE LIVES OF PEOPLE ACROSS THE NATION. PLEASE DO NOT
ALLOW LPFM TO REPLACE TRANSLATOR SERVICE!
